Dear community partner,

At the CRA, we're working to build a better future for the next generation of our community – and we need your help to make it happen!

The programs are all here: Little Buddies/Big Buddies. Special Needs. Leaders Club. Kindergym. Unparalleled youth sports. But traditional funding sources are declining, which is why your assistance is more critical than ever.

**A generous supporter has promised a dollar-for-dollar match if we can raise \$10,000 by year-end.** Support your community with any monetary gift and it will be doubled. What an opportunity!

Your gift will help us expand our social and cultural programming, such as after-school enrichment, teen activities, a newspaper club, and more.

A “CRA grad” recently shared the “surreal experience” of registering her children for the same activities that she enjoyed as a child. “*The times change,*” she noted, “*but the CRA always remains a stable place of comfortable familiarity... and for that I'm definitely thankful. Thanks for always being there.*”

Will the CRA always be there? *Yes*, if we all work together. **This is your chance to be a hero for our programs – and this community.**

Please take advantage of this opportunity to double your support of the CRA and the programs we offer for all ages and walks of life. On behalf of the CRA's staff, Trustees and Board of Governors, we thank you in advance for your kindness and generosity.

Sincerely,

*Alison D. Peters*
