## Class Descriptions

### **Cardio/Strength Training Classes:**

**Cardio Circuit:** Get up bright and early to get in a great overall circuit style workout with Katie West. This is a fun class that will challenge you. **All Levels.**

**Hi-Lo Infusion:** Cathy Doyle combines fun basic high and low impact choreography that's easy to follow and is guaranteed to burn lots of calories. **All Levels.**

**Total Body Challenge:** Join James for this total body challenge class to build lean muscle, lose inches, and get your heart pumping! This class is designed to use low weights, resistance training, cardio intervals, and core strengthening movements for a defined, lean physique. Make the most of your workout with this full body workout! **All Levels**

**Triple X Training:** X marks the spot & we will hit all of them using weights, bands, balls, steps, and cardio drills, ending with a nice stretch. **All Levels**

**Sculpting Strength:** Christine Kielpinski helps you tone and strengthen your muscles using free weights, bands & stability balls. **Beginner/Intermediate**

**Arms, Abs & Tush:** Rob Giuliani teaches a traditional approach to weight training and helps shape those trouble spots for extreme results. **Intermediate/Advanced**

**Lunch Break Muscle Mix:** This 45 minute lunch time class with Tanya Grillon will challenge every muscle group and get your heart pumping. We will incorporate weights, resistance bands, stability balls and cardio machines. **Intermediate/Advanced**

**Spinning:** Join our Spin Certified Instructors, Jennifer, Tom, Chris, James and Theresa on an indoor cycling ride. The rides will focus on endurance, strength, and intervals. This is a great way to burn a lot of calories while having a good time. Water bottles and towels are required. Bike reservations are recommended. Reservations accepted beginning 12:00 pm the day prior to the class you would like to attend. Voicemail reservations will not be accepted. **All Levels**

### **Yoga Classes:**

**Essential Yoga:** Alicia Errichetto teaches an Essential Yoga creating balance in mind and body. Bringing awareness of movement and breath through several poses, this class will build endurance, strength, flexibility, and balance. It will allow us to become centered while listening to our bodies and focusing on the essence of Essential Yoga. **Beginner/Intermediate**

**Flex & Flow Yoga:** Marsha Anthony teaches a Vinyasa flow class which will awaken the body's energy, through the linking of several poses as we move fluidly with our breath to create strength, flexibility, endurance, and balance. Working all parts of our bodies equally, the poses help to create balance in the body which complements the activities of our daily lives. **Beginner/Intermediate**

**Vinyasa Yoga:** This is a moderate practice of Vinyasa Yoga taught by Rima that begins with a warm up and leads to a quicker paced and vigorous Sun Salutations that connect poses and stretches in a fluid sequence. Poses and balances may be held for several breaths for strengthening and increased flexibility. Yoga blocks and straps are offered to support a safe alignment, healthy stretching and mindful breath. **Intermediate**

**Yoga Plus:** Join Marsha in this fun Yoga class which incorporates Pilates, strength and balancing moves. Using the body, stability balls, weights, resistance bands and more to increase flexibility, get stronger and improve balance. **Beginner/Intermediate**

### **Pool:**

**Water Works:** Join Theresa on Tuesdays and Thursday mornings, for a half hour of water aerobics followed by a half hour of strength training. **Beginner/Intermediate**

**Splashercise:** Join Theresa on Mondays, Wednesdays & Fridays for a half hour of water aerobics and a half hour of volleyball. **Intermediate/Advanced**

**Water Aerobics:** Join Heather for an hour of circuit and strength training in the water with pool noodles and kick boards. **Intermediate/Advanced**
